

ILLINOIS: Supporting Information for Off-Formulary Exception Request

Pursuant to Illinois Compiled Statutes §[215 ILCS 134/45.1](#)

Determination required within:

- 24 hours (exigent circumstances)
- 72 hours

Pursuant to §[215 ILCS 134/45.1](#) of the Illinois Compiled Statutes, the patient shall not be denied an off-formulary exception if any **one** of the following conditions has been met:

- The formulary prescription drug is contraindicated.
- The patient has tried the formulary prescription drug while under their current or previous plan and the drug was not tolerated.
- The patient is stable on a drug other than the formulary prescription drug for the medical condition under consideration while on their current or previous plan.

Rationale for Request
